Senior Move Managers assist adults and their families with both downsizing to remain in their current home, as well as the entire process of moving to a new residence. Senior Move Managers specialize in helping their clients with the emotional and physical aspects of sorting through a lifetime of memories in the transition process, while providing them with effective options and resources to increase efficiencies and reduce stress. The theme of this year's celebration, "Service with Purpose," underscores the dedication, compassion, commitment, and unique skills Senior Move Managers® offer their clients and families throughout the downsizing, relocation or aging in place process.

“For adults who have lived in their homes for 30 or 40 years, it’s more than just a move.
